

Cash Management

SUPPORT SERVICES ADMINISTRATIVE REVIEW 2004-2005

MISSION OF SUPPORT SERVICE UNIT:

1. State the mission of the support service unit.

To develop, maintain and enhance the College's financial resources, physical facilities and technological tools and equipment to support student instructional needs and technological demands with accountability and responsibility.

2. How does the mission of the service unit support the overall Mission of the College as adopted by the Board of Regents?

The expectation is that the College will benefit from the receipt of higher investment returns. Effective cash management is essential to good fiscal management; by diversification of investments to minimize risk while maximizing interest earning will enhance the College's financial resources.

SERVICE UNIT GOALS:

1. State the goals and expected results of the service area. With each goal stated, an expected result should be identified that is measurable.

GOAL: Standard of Care To consider the safety of capital and probable income to be derived.

MEASURABLE: Bench marking and summarizing investment income for each quarter.

2. Provide copies of the unit plans & assessments of unit plans for the service area for the past three years.

See Attachment – A

EVALUATION:

1. What methods have been used to evaluate the success of the service area in carrying out its mission and stated goals?

See attachment - Exhibit B (quarterly reports)

2. Summarized how successful the area has been in carrying out its mission. See Exhibit B
3. How has the area used these evaluations? What changes have been made as a result?

Internal Controls & procedures were put in place to insure that principal is protected and by investing and diversification. Also by preparing cash flow reports to meet the anticipated liquidity needs.

PROFESSIONAL DEVELOPMENT:

1. What professional development activities have staff members participated in during the past three years? (List conferences, workshop, seminars, courses attended, degrees or certificates attained, etc.)

Annual Financial Reporting Requirement Workshop	Certificate
GTOT Summer Treasury (Uof North Texas)	Certificate
Advance Investment Training TACCBO	Certificate
Cash Management Training	Certificate

FACILITIES & EQUIPMENT:

1. Are available general use facilities, such as office & work spaces, adequate to support the service area? Yes
2. Is available dedicated space adequate to support the service area? Yes
3. Is equipment to support the service objective? Yes
4. Is available equipment up to date? Yes
5. Are additional facilities or equipment required to support the service area? No

BUDGET & EXPENDITURES:

1. Indicate service area expenditures for the past three years for operating expenses & equipment.

	BUDGET	EXPENDITURES:
08/31/03		\$ 195,679.44
08/31/04		\$ 153,868.21
08/31/05		\$ 201,572.00

2. Does the service area generate revenue? If yes, please explain.

Treasury management = The primary goal is to provide for actions that minimize the amount of idle cash held to meet the needs of the College while investing available funds in a manner that would yield the highest possible return of investment.

3. Is service area budget adequate to meet department needs? Yes.

ACCREDITATION:

1. Is the service unit subject to accreditation by state, regional or national accrediting agencies? If yes answer the remaining questions for this section. NO
2. What is the service unit's accreditation status?
3. Indicate the recommendations of the most recent accreditation evaluation of the service area and corrective actions taken or planned.

SERVICE UNIT GOALS:

1. State the goals and expected results of the service area. With each goal stated, an expected result that is measurable. For example, if the goal is to provide efficient service, the expected result might be written as "90" percent of requests for services will be handled within three working days."

The goal is to increase yield by perhaps three percent from the previous yeas.

Measurable: Comparative analysis reports.

2. Provide copies of the unit plans and assessments of unit plans for the service area for the past three years. (See attachments).

SERVICE UNIT EVALUATION SUMMARY & RECOMMENDATIONS:

Service Area Strengths:

Earnings from investments were a major source of budget funding.

Utilization of Advisory Services. Patterson & Associates

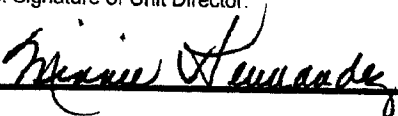

Service Area Weaknesses:

None

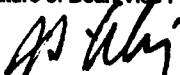

Recommendations – List and comments on suggestions & recommendations for improvements:

Continue to monitor activities and provide this office with an Assistant Director so that the Director will have more time to perform the various financial analyses and accounting functions to ensure effective cash management and cash investments.

Del Mar College
Assessment of Institutional Effectiveness Unit Plans
2005-2006

1. Unit: Cash Management		2. Division: Business & Finance	
3. College Mission Addressed: By encouraging & supporting continuing excellence in instruction & institutional support services at a reasonable student cost, the college will fulfill its mission within the limitations of its physical & financial resources			
4. Unit Purpose: To maintain a liquidity position for Del Mar College and to ensure that sufficient funds are on hand at all times in order to make timely deposits and disbursements.

**Del Mar College
Institutional Effectiveness Unit Plans
2006-2007**

1. Unit: Cash Management	2. Division: Business & Finance												
3. College Mission Addressed: By encouraging & supporting continuing excellence in instruction & institutional support services at reasonable student cost, the college will be able to fulfill its mission within the limitations of its physical and financial resources.													
4. Unit Purpose: First, maintaining the liquidity (assets that can be converted easily into cash) position of Del Mar College and ensuring that sufficient funds are on hand at all times to make timely deposits & disbursement. Secondly, to seek to maximize ROI on all funds not currently needed for current expenditures.													
Links to Other College Documents: 5. Strategic Plan: Goal # Objective # 6A. Unit Goal # B OR 6B. Student Learning Objective #	Links to Core Curriculum: 7A. Component Area: 7C. Intellectual Competency: 7B. Exemplary Educational Objective: 7D. Perspectives:												
8. Proposed Completion Date: 06/15/07													
9. Assessment Question and Expected Results: <ul style="list-style-type: none"> * Cash-flow forecasting * Cash-flow management * Investment of Surplus Funds 													
10. Strategies (Activities Planned) : <ul style="list-style-type: none"> * Cash-flow forecasting - helps to ensure surplus cash is invested in ways that maximizes ROI * Cash-flow management - safeguarding procedures & maintaining control over timing of disbursements to establish the amount of cash regularly available to fund Operating Expenses such as payroll; accounts payable; debt services;etc. * Diversification - spreading investments over a large number of securities in order to reduce financial 'risk' 													
11. Assessment Procedures (how will you measure for results and who is responsible for conduct of this assessment): A well managed cash program can generate substantial earnings to maintain enough liquidity to meet anticipated needs & budgeted goals. Income contributions will be measured by: <ul style="list-style-type: none"> * Benchmarking - an identifier of risk (judging performance on quarterly basis) * Quarterly Reports - Market analysis * Comparative Analysis - Budget to actual 													
12. Budget Cost Impact, if any (does not assure budget approval): <table style="width:100%; border: none;"> <tr> <td style="padding: 2px;">Personnel</td> <td style="padding: 2px;">\$</td> <td style="padding: 2px; border-bottom: 1px solid black;">0.00</td> </tr> <tr> <td style="padding: 2px;">Equipment</td> <td style="padding: 2px;">\$</td> <td style="padding: 2px; border-bottom: 1px solid black;"> </td> </tr> <tr> <td style="padding: 2px;">Other</td> <td style="padding: 2px;">\$</td> <td style="padding: 2px; border-bottom: 1px solid black;"> </td> </tr> <tr> <td style="padding: 2px;">Total</td> <td style="padding: 2px;">\$</td> <td style="padding: 2px; border-bottom: 1px solid black;">0.00</td> </tr> </table>		Personnel	\$	0.00	Equipment	\$		Other	\$		Total	\$	0.00
Personnel	\$	0.00											
Equipment	\$												
Other	\$												
Total	\$	0.00											
13. Use of Assessment Findings (how will you use the findings): Initially, goals & objectives for the DMC portfolio are set based on cash flows. Cash flow analysis tells how far extended the portfolio can be with the individual securities. Keep in mind that benchmark is an identifier of risk(outperform or under-performed you benchmark).
