

ECHOCARDIOGRAPHY PROGRAM

APPLICATION PACKET

DEL MAR COLLEGE

ECHOCARDIOGRAPHY PROGRAM

The Echocardiographer is a skilled person qualified by academic and clinical education to provide patient services using diagnostic ultrasound under the supervision of a qualified doctor of medicine osteopathy, whose responsibility is the use and interpretation of ultrasound procedures. The Echocardiographer scans the patient and provides the physician with adequate information to make the best possible diagnosis.

CAREER OPPORTUNITIES

Students completing the Echocardiography Program may choose a wide variety of careers as sonographers in hospitals, clinics, and doctors' offices. In addition, opportunities may be found as technical and sales representatives or research personnel.

ACCREDITATION

This program is accredited by the Joint Review Committee on Education for Diagnostic Medical Sonography, the Committee on Accreditation of Allied Health Education Programs (CAAHEP), the Texas Education Agency, and the Veterans Administration.

GRADUATE CERTIFICATION

Upon completion of the Echocardiography Program, the student will be awarded an Associate of Applied Science (AAS) degree in Echocardiography. Graduates of the eighteen-month program are qualified to take the national examination for registration by the American Registry of Diagnostic Medical Sonographers (ARDMS).

DEL MAR COLLEGE ECHOCARDIOGRAPHY PROGRAM

ADMISSION REQUIREMENTS FOR DEL MAR COLLEGE

- ☞ Application for Admission
- ☞ Official high school transcript or GED test scores
- ☞ Official college transcripts
- ☞ Proof of Texas residency
- ☞ Test Scores from COMPASS or THEA

Del Mar College is an open admissions college; however, acceptance into the Echocardiography Program is by selection. Positions in the Echocardiography Program are limited.

FINANCIAL AID

Refer to the Del Mar College Catalog for information on financial aid.

ADVANCED PLACEMENT OPTIONS

Students admitted to the Echocardiography Program will not be given advanced placement options in any of the program courses.

DEL MAR COLLEGE

ECHOCARDIOGRAPHY PROGRAM

INFORMATION SHEET

The following information will assist you in applying for the Echocardiography Program. Please follow the instructions.

IT IS YOUR RESPONSIBILITY TO PROVIDE THE PROGRAM WITH THE PROPER PAPERWORK AT THE PROPER TIME!

- You must be eligible and applied for admission to Del Mar College.
- You must supply the Registrar's Office with *official* copies of college transcripts.
- You must supply the Echocardiography Program office with *official* copies of college transcripts.
- You must have completed an Echocardiography Program application/data sheet.
- You must have a minimum GPA of 2.5.
- If applicable, supply copies of degrees, certificates, or registries in the health field.
- You must complete all 29 hours of the prerequisites.
- All prerequisite courses must be completed by the end of the Del Mar College Spring semester in the year which you are applying.
- You must have completed a CNA (*Certified Nurse Aid*) certificate program or show proof of one of the following exemptions:
- CNA certification is **NOT** required if you have completed one or more of the following direct patient care programs: EMT- Basic, Licensed Vocational Nurse (LVN), Nuclear Medicine Technologist, Occupational Therapy Assistant (OTA), Paramedic, Physical Therapy Assistant (PTA), Radiologic Technologist (RT-R), Registered Nurse (RN), Respiratory Therapist, and Surgical Technologist.
- Active status CNA certification is **NOT** required.
- You should schedule an advising appointment with Echocardiography Program faculty within the first semester of your prerequisites, for information call (361) 698-2832.
- You will be selected on an individual basis by Admissions Committee.
- The deadline for accepting applications is **March 1st** of each year.
- You will receive written notification upon acceptance to the Echocardiography Program by July 1st.
- Students are required to provide their own transportation to clinical sites and navy blue scrubs.
- Students are expected to travel to out of area clinical sites all of which are within a 60 mile radius of the College.

Upon conditional admittance into the Echocardiography Program, the student must pass a **Criminal Background Check** and **Drug Screen** as mandated by our accrediting agency and clinical affiliates. A **physical exam with shot record** and current **CPR card** must be submitted prior to the first day of class.

ONLY COMPLETED FILES WILL BE CONSIDERED FOR SELECTION

Revised 2-3-2014

DEL MAR COLLEGE ECHOCARDIOGRAPHY PROGRAM

PREREQUISITES

Students are selected by the Admissions Committee based on a point system. Points are given for prerequisite grades, overall GPA, and Lab volunteer hours.

Prerequisite Courses:

ENGL 1301 Freshman Reading and Composition

Humanities/Visual Performing Arts Elective (3 semester hour credits)

One course from the following:

- All ENGL 2300+ Literature courses
- All ARTS courses
- All DRAM courses
- All PHIL courses
- All HUMA courses
- All MUSI courses
- DANC 2303 Dance Appreciation

BIOL 2401 Human Anatomy and Physiology I

BIOL 2402 Human Anatomy and Physiology II

MATH 1314 College Algebra

Speech Elective

Social/Behavioral Science Elective (3 semester hour credits)

One course from the following:

- All ECON courses
- All GEOG courses
- All GOVT courses
- All HIST courses
- All PSYC courses
- All SOCI courses

General Physics (PHYS 1305 or SCIT 1420)

ITSC 1309 Integrated Software Applications I

ALL APPLICANTS MUST HAVE COMPLETED A CNA (CERTIFIED NURSE AID) CERTIFICATE PROGRAM OR SHOW PROOF OF EXEMPTION

You should schedule an advising appointment with Echocardiography faculty within the first semester of your prerequisites, for information call (361) 698-2832.

DEL MAR COLLEGE ECHOCARDIOGRAPHY PROGRAM

Certified Nurse Aid Requirement

The Del Mar College Echocardiography Program requires completion of a (CNA) Certified Nurse Aid certification program or show proof of one of the following exemptions:

CNA certification is **NOT** required if you have completed one or more of the following direct patient care programs: EMT- Basic, Licensed Vocational Nurse (LVN), Nuclear Medicine Technologist, Occupational Therapy Assistant (OTA), Paramedic, Physical Therapy Assistant (PTA), Radiologic Technologist (RT-R), Registered Nurse (RN), Respiratory Therapist, and Surgical Technologist. Active status CNA certification is **NOT** required.

Course Descriptions

NURA 1001 Certified Nurse Aide (CNA)

Classroom and Laboratory preparation for entry level nursing assistants to achieve a level of knowledge, skills, and abilities essential to provide basic care to residents of long-term care facilities. Topics include resident's rights, communication, safety, observation, reporting and assisting residents in maintaining basic comfort and safety. Emphasis on effective interaction with members of the health care team. Concurrent enrollment in NURA 1060 is required.

NURA 1060 Certified Nurse Aide (CNA) - Clinical

A continuation of NURA 1001 that includes a health-related work-based learning experience that enables the student to apply specialized occupational theory, skills, and concepts for entry level nursing assistants. Direct supervision is provided by the clinical instructor and clinical training is conducted at a local long term care facility. Course cost includes the Texas Department of Aging and Disability Services registry examination fee. Concurrent enrollment in NURA 1001 is required. Prerequisites: NURA 1001 and required immunizations.

POINT LEGEND

Del Mar College Lab Volunteer: 10 points maximum
(Diagnostic Medical Sonography Lab)
(Echocardiography Lab)

Overall GPA Points: 2.5 – 3.0 = 1 point
3.0 – 3.5 = 2 points
3.5 + = 3 points

Prerequisite Course Points: A = 10 points
B = 6 points
C = 4 points

DEL MAR COLLEGE ECHOCARDIOGRAPHY PROGRAM

PROGRAM CURRICULUM

A grade of 75 or better must be maintained throughout the program in all courses.

First Semester

DMSO 2101 Ultrasound Instrumentation

DMSO 1110 Introduction to Sonography

Second Semester

DSAE 1303 Introduction to Echocardiography Techniques

DMSO 1302 Basic Ultrasound Physics

DSAE 1360 Clinical Education

DSAE 1415 Principles of Adult Echocardiography

Third Semester

DMSO 1342 Intermediate Ultrasound Physics

DSAE 2404 Echocardiographic Evaluation of Pathology I

DSAE 1364 Practicum I

Fourth Semester

DSVT 1300 Principles of Vascular Technology

DSAE 2267 Practicum II

DSAE 2337 Echocardiographic Evaluation of Pathology II

Fifth Semester

DSAE 2355 Registry Review

DSAE 2368 Practicum III

DSVT 2200 Vascular Technology Applications

Total Credit Hours 41

Total Prerequisite Hours 29

70 Total Semester Hours for Associate Degree in
Applied Science (Echocardiography)

DEL MAR COLLEGE ECHOCARDIOGRAPHY PROGRAM

CLINICAL REQUIREMENTS

Throughout the eighteen (18) months in the Echocardiography Program at Del Mar College, the student will attend the Clinical Affiliation in order to:

1. Acquire expertise and proficiency in a wide variety of diagnostic ultrasound procedures by applying classroom theory to the actual practice of technical skills on specified levels of competency.
2. Develop and practice professional work habits and appropriate interpersonal relationships with patients and other members of the health care team.
3. Clinical Proficiencies will be assigned each semester according to curriculum sequence taught.

Students will be scheduled and rotated through various Clinical Affiliation sites within a 60 mile radius of the college. Demonstration of core clinical proficiencies must be established to be eligible for the American Registry of Diagnostic Medical Sonography testing. These requirements are in addition to graduation from an accredited program by the Joint Review Committee of Diagnostic Medical Sonography.

DEL MAR COLLEGE ECHOCARDIOGRAPHY PROGRAM

TECHNICAL STANDARDS

Physical Requirements:

- Must possess emotional and physical health sufficient to meet the demands of the position.
- Must have strength sufficient to: lift some patient, move heavy equipment on wheels (up to approximately 500 lbs), and to move patients in wheelchairs and stretchers.
- Must have ability to maintain prolonged arm positions necessary for scanning.

Essential Functions:

- Will perform clinical assessment and diagnostic sonography examinations.
- Will use cognitive sonographic skills to identify, record, and adapt procedures as appropriate to anatomical, pathological, diagnostic information and images.
- Will use independent judgment during the sonographic exam to accurately differentiate between normal and pathologic findings.
- Will analyze sonograms, synthesizes sonographic information and medical history, and communicates findings to the appropriate physician.
- Will coordinate work schedule with Departmental Director and/or scheduling desk to assure workload coverage.
- Will assume responsibility for the safety, mental and physical comfort of patients while they are in the sonographers care.
- Will assist with the daily operations of the sonographic laboratory.
- Will maintain a daily log of patients seen/completes exam billing forms.
- Will maintain ultrasound equipment and work area, and maintain adequate supplies.
- Will participate in the maintenance of laboratory accreditation.
- Will establish and maintain ethical working relationships and good rapport with all interrelating hospitals, referral or commercial agencies.
- Will perform other work-related duties as assigned.

Examples of Duties & Responsibilities:

- Will perform all requested sonographic examinations as ordered
- Will prepare preliminary reports and contacts referring physicians when required, according to established procedures
- Will coordinate with other staff to assure appropriate patient care is provided.
- Will address problems of patient care as they arise and makes decisions to appropriately resolve the problems
- Will organize daily work schedule and performs related clerical duties as required.
- Will assume responsibility for the safety and well being of all patients in the sonographic area/department.
- Will report equipment failures to the appropriate supervisor or staff member.
- Will provide in-service education team on requirements of sonographic procedures as requested by other members of the health care team.
- Will perform other related duties as assigned.

Demonstration of Skills and Abilities:

- Have the ability to effectively operate sonographic equipment.
- Have the ability to evaluate sonograms in order to acquire appropriate diagnostic information.
- Have the ability to integrate diagnostic sonograms, laboratory results, patient history and medical records, and adapt sonographic examination as necessary.
- Have the ability to use independent judgment to acquire the optimum diagnostic sonographic information in each examination performed.
- Have the ability to evaluate, synthesize, and communicate diagnostic information to the attending physician.
- Have the ability to communicate effectively with the patient and the health care team, recognizing the special nature of sonographic examinations and patient's needs.
- Have the ability to establish and maintain effective working relationships with the public and health care team.
- Have the ability to follow established departmental procedures.
- Have the ability to work efficiently and cope with emergency situations.

Information is based on the Society of Diagnostic Medical Sonography (SDMS) requirements for employment.

ECHOCARDIOGRAPHY PROGRAM**

ESTIMATED EDUCATIONAL EXPENSES

The following fees are “ONLY” approximate amounts. Fees are TBA throughout the semester as needed.

Echocardiography Textbooks (approximately)	\$650
Drug Testing	\$30
Background Check	\$52
Physical with Doctor	Check with your Doctor
Tuberculosis Skin Test	Check with your Doctor
Hepatitis B Vaccine Series	Check with your Doctor
Uniform & Shoes (3 sets)	\$150
Uniform Patches (3)	\$15
SDMS student membership	\$45
ARDMS Sonographic Principles & Instrumentation Registry Exam (SPI)	\$200
ARDMS Specialty Registry Exam	\$250
Graduation Pin	\$40
Graduation Cap & Gown	\$35

Revised 8-7-2013

DEL MAR COLLEGE ECHOCARDIOGRAPHY PROGRAM

EDUCATIONAL EXPENSE LIST In-District/Out-of-District

If you are a recognized resident of the Del Mar College District, the following list reflects the approximate education cost associated with the Echocardiography Program.

			In-District	Out-of-District
Summer Semester	Tuition & Fees	2 semester hrs.	\$245	\$345
Fall Semester	Tuition & Fees	13 semester hrs.	\$1222	\$1872
Spring Semester	Tuition & Fees	10 semester hrs.	\$964	\$1464
Summer Semester	Tuition & Fees	8 semester hrs.	\$768	\$1168
Fall Semester	Tuition & Fees	8 semester hrs.	\$763	\$1163
Approximate Total Tuition & Fees			\$3962	\$6012

The above approximated tuitions are estimated for a degree in Echocardiography.

Residency requirements are located in the Del Mar College Catalog. You may contact the Del Mar College Business Office for information on relative residency requirements. Call (361) 698-1263.

Tuition and fees are subject to change. See program expense sheet for approximated total expense.
