

# Management Development

## Management Development: Quality Control/Management Specialization

Management Development programs incorporate education and training to prepare individuals for career paths with businesses, non-profit organizations, governmental agencies, and academic institutions. Prepare for a management career in human resources, operations, retail, health services, or sales. The Associate in Applied Sciences and Certificates in Quality Assurance/Control Management are designed to provide the skills and knowledge needed to enter the job market or advance in management positions.

Careers in quality assurance or quality control provide high paying jobs in aviation, energy, manufacturing or production related industries. Jobs may include Quality Assurance Technician, Quality Assurance Inspector or Manger of Quality Assurance in business or industry. Typical job responsibilities ensure that work orders are in compliance with contract specifications, performs audits of products prior to distribution, coordinates testing and maintain the quality assurance environment.

Formal articulation and transfer agreements have been established, allowing students to pursue a Bachelor of Arts in Applied Arts and Sciences degree the University of the Incarnate Word and Texas A&M University-Kingsville.

### Practicum

An important component of the Management Development program is an external learning experience established in collaboration with community organizations and businesses. The practicum provides general training and experiences in the workplace. As a student in the program, you will attend a weekly seminar on the Del Mar College campus and concurrently work on management development assignments at a worksite under supervision of the employer.

## Admissions

Del Mar College maintains an “open door” admissions policy. In order to gain admission to the College and prior to registration, students must complete an Admissions File to include:

- Application for Admission
- Official high school transcript or GED test scores and/or official college transcript(s)
- Placement test scores
- Proof of Texas residency for the previous 12 months to qualify for in-state tuition

Contact the Admission Office in the Harvin Student Center (East Campus) or the Administration Building (West Campus) for information related to admission to the College.

## Financial Aid/Scholarships

Financial Aid Services assists students who need financial resources to help pay their College costs. Financial Aid Services provides information on grants, loans, or employment for students with a demonstrated financial need. Many scholarships are also available for students and are awarded based on academic achievement and/or financial need.

More than 5,000 Del Mar students are eligible to receive financial aid each year. Full- or part-time students may apply for need-based financial aid programs or scholarships. The only way for students to determine their eligibility is to apply for financial aid. The best, easiest, and quickest way to apply for aid is by completing the Free Application for Federal Student Aid (FAFSA), which is available online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Results may be available in 7-10 days. The FAFSA application itself may be mailed; however, this process may take anywhere from 4-6 weeks. The Title IV school code for Del Mar College is 003563. Please note that you must provide the previous year’s income tax information regardless of the application process you choose to employ. (Dependent students **must** provide their parents’ tax information as well.)

Contact Financial Aid Services in the Harvin Student Center (East Campus) or the Coleman Center (West Campus) for further information related to need-based financial assistance or academic achievement-based scholarships.

## Success Initiative

Del Mar College actively supports the Texas “Success Initiative.” Assessment is required to identify the readiness of entering students to enroll in academic coursework. For students needing skill improvement, the College provides developmental courses at a variety of levels to accommodate students’ individual needs. All students may take advantage of New Student Orientation, Freshman Seminar, learning labs, tutoring services, counseling, advising, and PLATO software to supplement their coursework and to meet their education goals.

## Student Services

Del Mar College is dedicated to making education as accessible as possible. For that reason, a comprehensive network of student services is available to all students. More information about each of these services is available through the College Catalog or in the Harvin Student Center on the East Campus or the Coleman Center on the West Campus.
