

DEL MAR COLLEGE And The CORPUS CHRISTI ARMY DEPOT (CCAD) ANNOUNCES

Student Career Experience Program Employment Opportunities
Associate in Applied Science: Electroplating Applied Technology

Accepting Completed Application Packets November 6 through DEADLINE November 25, 2008 Noon

Del Mar College and CCAD are partners in the Student Career Experience Programs (SCEP) designed to assist CCAD in employing skilled high-tech minded students who will be required to attend Del Mar College at least part-time and be willing to work 32 hours per week at CCAD. Eligibility requirements are:

1. **Be a U.S. citizen or national (permanent residence in absence of qualified citizenship). Complete and submit Optional Form 306 (www.opm.gov, click on Forms, click on Optional Forms, print and complete OF 306. Optional Form 612 can also be printed from this web site page.)**
2. **Must be currently enrolled in a minimum of 6 college credit hours at Del Mar College.**
NOTE: Remedial courses do not count toward the minimum college credit hours requirement.
3. **Have successfully completed a minimum of 24 COLLEGE CREDIT HOURS with one of the following courses included in the 24 college credit hours: Aviation AERM 1203; Chem Lab SCIT 1414 or equivalent; Electronics CETT 1403; Machining MCHN 1338 or related; Welding WLDG 1257 or 1425. College hours must be from a higher education institution whose credit hours are accepted for transfer by Del Mar College.**
NOTE: Remedial courses do not count toward the minimum college hours requirement.
4. **Have a grade point average (G.P.A.) of 2.5 or above when applying for this Student Career Experience Program and continue to maintain a G.P.A. of 2.5 or above through graduation from the program.**
5. **Assessment levels required at application packet deadline: Reading-2, English-2, Math-2.**
6. **Be willing to work 32 hours per week at CCAD on the 1st or 2nd shift or 3rd shift and attend Del Mar College at least part-time.**
7. **Students must successfully complete the Associate degree in Electroplating Technology within 2 years .**

The CCAD Student Career Experience Program provides an opportunity to gain work experience directly related to a specific field of study; permits students to earn leave credit for illness and vacation; includes health and life insurance options. Students selected under this notice will typically work 32 hours a week starting the WG-04 grade level. At the end of 6 months eligible students may be promoted to the WG-05 grade level. Upon graduation successful job/academic performers may be converted to WG-07 grade level and begin working a 40 hour workweek as a permanent full-time employee.

Interested students can obtain federal forms in either Career Planning and Placement Office or on-line www.opm.gov, Click: Forms, click: Optional Forms, click on PDF buttons to print OF 306 and OF 612 .

Applicants applying for consideration can submit a resume in lieu of the OF 612.

Successful applicants will have to meet the employment requirements of CCAD: **physical and drug screening.**
