There are many opportunities in franchising perfect for your background and expertise. It is important to look at all of the options that meet your budget while maximizing your earnings. Discover how to choose a business that will not only fit you well, but give you control over your finances and plans for retirement. Learn why it is so important to make the right choice up front. This presentation is designed to help you think through whether franchise ownership is an option for you to pursue.

## Presentation Highlights:

- How to determine if franchise ownership is the right career path for you.
- How to quantify and maximize your financial returns in a franchise business.
- How to build equity in your franchise business for retirement and diversifying your portfolio.
- How to correctly select and research franchise opportunities.
- How to recognize and avoid the pitfalls that lead to failure in franchise ownership.
