Has your business outgrown the ledger pad but is still too small to actually use a big computer program? QuickBooks Simple Start is for the small business owner who wants the basic functionality without the trouble of learning a complex system.

This program is designed specifically for small businesses who want to move to the next step in their bookkeeping practices.

The Del Mar College's Small Business Development Center is partially funded under Cooperative Agreement No. 10-603001-Z-0049-24-DMC by the U.S. Small Business Administration. The support given by the U.S. Small Business Administration through such funding does not constitute an expressed or implied endorsement of any of the cosponsors' or participants' opinions, findings, conclusions, recommendations, products or services. All SBDC programs are nondiscriminatory and open to the public. Reasonable arrangements for persons with disabilities will be made, if requested at least two weeks in advance.
