Comments from 2007 S.B. participants:

- *The program at first, I thought was going to be unnecessary, the program in every way was useful providing me with information, and motivational words.*
- *This program is very helpful and now I'm not afraid to come to college. Thank all of you for the help and support.*
- *The program was great and I hope it continues because there is very helpful information for a head start in college.*
